## Newcomers Club

*Chatham & Harwich*

### President's message

Welcome to the social club on the Cape known as the Chatham-Harwich Newcomers Club! We draw exclusively from the towns of Chatham and Harwich, and have a diverse membership. We provide a variety of activities such as club luncheons, the book club, Mah-Jongg, bowling, and travel to more physical activities such as kayaking, bicycling, golfing, cross country skiing, and hiking. The Club serves the social needs of both newcomers and seasoned residents who are looking for an enhanced social life and the opportunity to meet new people and to make new friends.

The Executive Board and all the volunteers who will be helping to run the Club have worked hard to put together fun and interesting activities. However, this would be for naught without your active participation; so I encourage you to participate in as many activities as you can. You, the members, are the engine that drives this organization. Your participation, suggestions, and involvement make this Club a success

**Please note that the first general meeting of the 2009-10 year will be on Monday September 21, at 9:30 am at the Harwich Community Center.** At that time, you can sign up for any of the two dozen or so activities that are open to Newcomers.

It is my pleasure to serve as your president this year, and I look forward to seeing all of you at our meetings and activities.

Sincerely,  
Mike Cimini, President
