# Newcomers Club

## Chatham & Harwich

Dear Newcomers:

To all returning members, welcome back. Despite this summer's heat, a flood of house guests, grandchildren and weddings, many of us have been working hard to make the coming year one that will be fun-filled and memorable for all.

To those joining the Chatham-Harwich Newcomers Club for the first time, I want to extend a warm welcome.

What brings us together in the Chatham-Harwich Newcomers Club is a desire to meet new people, forge new friendships and to participate in the club's many and varied activities. These range from biking, hiking, kayaking, golf, and tennis to cooking, knitting, woodworking, and indoor games. Anyone can suggest a new activity at anytime. The recency of one's arrival as a new resident in the towns of Chatham and Harwich is inconsequential for membership.

The Club's vitality and success requires the active participation of everyone in one or more of our activities and a willingness to become engaged.

Opportunities to help are both big and small. Don't be shy. Select something you like to do and sign on as a volunteer. We will have a volunteer sign-up sheet at our September meeting. We will also post it on our website: [www.chathamharwichnewcomers.org](http://www.chathamharwichnewcomers.org).

The first meeting of the year will be on **Monday, September 20, 9:30 a.m., at the Harwich Community Center.** In addition to signing up for the different activities the Club is sponsoring in 2010-2011, we will introduce and welcome new members.

Sincerely,

Eve Dalmolen, President
