## PRESIDENT'S MESSAGE

Dear Friends,

Welcome back from what I hope was a great summer filled with sun, sand, family and friends. I hope this finds you all in good health and ready to begin another year of fun and fellowship with other Club members.

On behalf of the Board, the Activity Leaders and myself, I wish to extend a hearty welcome to all of our new members. I hope that you will find the Club as rewarding and as much fun as our returning members do.

I urge all of our members to participate in many of our great activities where there is an interest and that will reasonably fit into your schedule. Some of our Activity Groups, like Bowling and Anything But Bridge, meet on a weekly or monthly schedule. Others, such as, Biking and Kayaking, meet only during the appropriate seasons. See what fits your interest and schedule and participate accordingly. The best way to get to really know your fellow Club members and to form lasting friendships is through regular contact with them in the smaller group settings that our activities provide. We want to support the interests of our members. Anyone desiring to form a new Activity may submit a description to any officer and it will be reviewed for approval.

The Board has authorized the Club's subscription to Constant Contact, an e-mail communication system. My aim is to use this to communicate Club news and events to our membership on a regular basis; so when you get a Constant Contact e-mail, please don't think that it is spam or a virus. To those members who do not have their own computers, I urge you to check with your library since both town libraries offer access to computers and help with usage.

We will have our first General Membership Meeting at the Harwich Community Center on Monday, September 19, 2011, at 9:30 am. At that time we will introduce our new Club members, Activity Leaders will describe their activities and member sign up will take place. Please remember to bring your checkbook as some of the activities require a small fee. Returning members, please mail your registration form together with your dues prior to the Meeting, as this greatly facilitates the flow of our business.

I look forward to another rewarding year of Club functions with all of you.

Very truly yours,

Dave Ryer – President

## MEETINGS AND EVENTS

All General Membership Meetings are held at the Harwich Community Center, 110 Oak Street, Harwich. Hospitality begins at 9:30 am; the business meeting begins at 10 am.

### GENERAL MEMBERSHIP MEETINGS

**Mon. Sept. 19** - Welcome and Registration for all Activities

**Mon. Nov. 21** – Speaker Topic: *"It's Not All Garbage"*

Major changes and increased cost are likely to occur in Chatham and Harwich waste disposal programs. What are the options to accepting high cost increases for burning garbage at SEMASS? Should we pay-to-throw as Sandwich is doing? How can we do a better job of recycling?

**Thurs. Jan. 19** - Speaker Topic: *"The Challenges of Our Local Fisherman"* Our fresh seafood is great and most of us have some exposure to the people who harvest local seafood. But what are the obstacles to making a living from the sea and how is the fishing community responding?

**Mon. Mar. 19** – Speaker Topic: *"The People Who Came to These Shores"* What do we know of the various people who came to Cape Cod over thousands of years since the last ice age? Archeologist search for the historical evidence and learn more each year as new findings shed light on Indian and European communities living where we live today.

**Mon. May 21** –Speaker Topic: *"Journalism and the November Elections"* How does the "new media" influence our views of the upcoming election? How do we as citizens learn what we want to know before we vote? From the early televised presidential debates to today's instantaneous multi-media news, journalism continues to evolve and impact the elections.

### EVENTS

**Wed. Oct. 12, 2 – 4 pm** – Ocean Edge Golf Club, Cocktail Reception
