Chatham-Harwich Newcomers

Join us for a day of culture, history and fun in historic Salem, Massachusetts. We'll bus to Salem leaving at 7:30 AM from the Patriot Square Mall (at exit 9A, Route 6). Our morning stop is a guided tour at the *Peobody Essex Museum*, famous for showcasing an unrivaled spectrum of New England decorative arts plus outstanding Asian, Native, maritime and photography collections. The museum's campus features numerous parks and gardens and 24 historic properties, the most unique of which is an 18<sup>th</sup> century Chinese merchant's house, Yin Yu Tang, where we'll have a separate guided tour. Our next stop is lunch at the charming *Victoria Station*, located on *Pickering Wharf* with a great view of Salem Sound and its sailing vessels. There will be free time after lunch to browse among the quaint shops along the Wharf for Witches' Brew or the like. For the rest of the afternoon until we bus home at about 4PM we have a choice:

(1) Sail the *schooner Fame*, a full-scale reproduction of the 1812 privateer. Cruise Salem Sound past lofty lighthouses, old forts, pristine islands and magnificent homes. Enjoy the scenery, or give the crew a hand! (Limit 40 people)

OR

(2) Take a guided tour of the Turner-Ingersoll Mansion (*the House of Seven Gables*), built in 1668 and the oldest wood frame building in the country, used by merchants in the triangle trade from New England to the Caribbean to Europe. Also visit the Nathaniel Hawthorne House in which the author was born, the colonial gardens, the museum store and the waterfront.
